Summary History - Summary Statistics

You have 1 saved query for this dataset.

Show

Step 1: What date range do you want to use?

Date Variable: I would like data from start date: to end date: (yyyy-mm).

Step 2: How would you like to search this dataset?

Using Ticker Symbols and Cusips

You can further refine the search by selecting values for the IBES Universe (U.S. and/or International files), IBES Measure (e.g., EPS) and Forecast Period Indicator (FPI).

Note that for FPI = 0 (Long-Term Growth) estimates, you must NOT select "Forecast Period End Date" as the Date Variable in Step One or the query will not return any results (for FPI = 0).

What variable would you like to search by?

- ☐ Official Ticker
- ☐ I/B/E/S Ticker
- ☒ CUSIP (8-digit)

Manually enter company codes

Upload a file containing company codes

Choose a file to upload

Upload a text file from your local computer, having one code per line.

(See help on the file format.)

Example:

IBM

MSFT

DELL

Search the entire database
